About The Retail Coach®

The Retail Coach is a national retail recruitment and development firm that combines strategy, technology, and creative expertise to develop and deliver high-impact retail recruitment and development plans to local governments, chambers of commerce, economic development organizations and private developers.

Through its unique Retail360® Process, The Retail Coach offers a dynamic system of products and services that better enable communities to maximize their retail development potential.

Retail:360® Process

Providing more than simple data reports of psychographic and demographic trends, The Retail Coach goes well beyond other retail consulting and market research firms' offerings by combining current national and statewide demographics and trend data with real-world, "on-the-ground" information gathered through extensive visits to our clients' communities. Every community is different, and there is no "one size fits all" retail recruitment solution. Compiling the gathered data into client-tailored information packets that are uniquely designed for, and targeted to, specific retailers and restaurants who meet the community's needs help assure our clients that they are receiving the latest and best information for targeted retail recruitment efforts – all with personal service and coaching guidance that continues beyond the initial project scope and timeline.

Our Retail:360® Process assures that communities get timely, accurate and relevant information. Translating that data into the information that retailers need and seek assures our clients even better possibilities for tremendous retail growth and success.
